Dear Ms. Aman:

At its regular meeting on September 11-12, 2007, the South Dakota Board of Nursing approved your request to rescind the Letter of Reprimand that was placed on your RN license on January 27, 2001. This Letter of Reprimand will be removed from NurSys, the national databank for nursing disciplinary actions and will no longer reflect this previous disciplinary action. Please be advised that the process of removal from NurSys may take several weeks. This disciplinary action has been expunged from your file.

In the future you may answer "no" to the question: *"Has any nursing license or certificate held by you in any state or Canadian province been denied, revoked, suspended, stipulated, placed on probation or otherwise subjected to any type of disciplinary action?"*

If you have any questions regarding this matter, please feel free to contact me.

Sincerely,

Nancy Bohr RN, MBA, MSN
Nursing Program Specialist
